

Soil & Erosion Workshop

For 3rd Grade Educators

Oct 23, 8:30-3:30

In Hamilton, Ohio

Who: 3rd Grade Teachers. All activities have been designed to meet 3rd grade State Academic Content Standards

What: Learn what is soil? What is it made from? How can we protect it from erosion? Explore these questions, investigate the properties of soil, and create a soil profile to take back to your class. Try many wonderful hands-on activities and get some great background information to boost your knowledge and level of comfort teaching soils to your students.

Cost: \$10 registration fee, includes teacher resources, snacks, drinks, soil profiles, and the book "SOIL! Get the Inside Scoop". Each participant will receive resources worth more than \$40. Send registration and a \$10 check (made out to "Butler SWCD") to Butler SWCD, 1802 Princeton Rd, Ste 300, Hamilton, OH 45011.

When/Where: Friday, Oct 23, from 8:30—3:30 at the Butler Soil and Water Conservation District, 1802 Princeton Rd, Hamilton, OH 45011 (just off St Rt 129)

For More Information: Lynn White at (513) 887-3720 or Gwen Roth at (513) 772-7645

Grad Credit: UC graduate credit is available from the UC Center for Economic Education at a reduced tuition payment of \$199 (regularly \$412).

Registration Deadline is October 9, 2009
